

WAY Academy Flint
Public Act 48 Plan
Mid-Year Goal Reporting
February, 2023

Goal: The median Student Conditional Growth Percentile for students in grades K-8th will be at or above the 50th percentile on NWEA’s Measure of Academic Progress for fall-to-winter and fall-to-spring testing periods indicating a minimum of average growth.

Mathematics

Grade	Fall Norm Target	Fall Median	Winter Norm Target	Winter Median	SCGP
7	220.21	<10 students	224.04	<10 students	<10 students
8	224.92	<10 students	228.12	<10 students	<10 students

It is important to note that the fall and winter norm targets in this report are taken from NWEA's 2020 Norm Study. This study was completed prior to the COVID-19 pandemic. The pandemic has and continues to impact student instructional time, alter the type of instruction (virtual/remote or in person), and widen the disparity gap. If a norm study was conducted during a pandemic, it would likely yield different targets.
