## VIII. ESP Report / Directors Report

### *ESP Report (Superintendent Isaiah Pettway)*

#### **Board Membership**

- The board is seeking to add new members to fill the vacancy created by Kelly leaving.
- Compliance requires an odd number of members; the goal is to reach seven or to have five and one in waiting.
- We have two potential candidates as of now, one is a former student.
- Information will be submitted to Melissa by the end of the week.

#### **State Budget Update**

- A potential state government shutdown may occur if a budget is not approved by midnight tomorrow.
- A tentative agreement has been reached between state leaders and is pending.
- School aid and per-pupil funding have not yet been finalized.
- No cuts to per-pupil funding are expected; potential increase is anticipated (approx. \$300 per student, bringing the total to \$10,000).

#### **Reauthorization Status**

- The current charter granted three years ago was a 3 + 2 term. This means a 3-year contract with an additional 2-years possible if criteria are met.
- All LSSU metrics have been met except *board governance*.
- Concerns include cancelled/rescheduled meetings and inconsistent scheduling.
- Governance stability is very important to ensure reauthorization and prevent possible school closure.
- The board is encouraged to review the current meeting schedule (third Thursday of every month, 6:30 p.m.) to ensure consistency and quorum.

#### **Reauthorization Narrative**

- Narrative for the additional two-year extension is due January 1st
- LSSU will provide videos and discussions, some led by Angie Irwin.
- Part of the plan includes a video at our October meeting and an activity with discussion in November.

- Superintendent Pettway recommended scheduling an in-person work session with Angie Irwin before the end of the year (or at least set date/time to be included in the narrative).
- Emphasis was made on maintaining quorum for all meetings.
- Board President Mr. Murphy suggested changing meetings to the third Mondays of every month; members agreed. Proposed change will be added to the October 16th agenda.

*Director Report (Mrs. Shelly Smith):*

### **Enrollment Update**

- As of September 5, enrollment was 83 students and has since increased to 112, surpassing the goal of 108 — our highest enrollment to date.
- There are 61 morning students, 49 afternoon students, and some that are virtual.
- 22 students attended the August orientation — the largest turnout to date.
- Superintendent Pettway recognized the extensive efforts that contributed to meeting the enrollment goal, including mass mailings and social media outreach.

### **Student Progress**

- There was minimal credit earned by students in July and August, but this is typical during this time of the year.

### **Updates to the School**

- The common area was rearranged to accommodate new students.
- Updates included painting and a new wall mural, among other things.

### **IX. New Business**

A. None

### **X. Board Committee Reports / Comments / Action**

Finance Committee (Mrs. Sherry Lynem)

A. Discussion Items:

#### **1. August 2025 Financial Statements**

- State Aid Payment Received: \$97,244.03
- LSSU: \$207.15
- GISD: \$11,351.63
- State of Michigan: \$6,235.37
- Monies Transferred in August 2025: \$98,000.00
- Accounts Payables as of August 2025: \$31,292.85
- Payroll Liabilities (8/8, 8/22 & August Healthcare): \$45,761.62
- Request for transfer in the amount of: \$77,054.47

The final state aid payment for 2024–2025 has been received. No state aid was received in September; however, Title I, II, and IX grant reimbursements were received. Due to low cash

balance, WAY Program is currently covering payroll and some of the bills until state aid payments resume in October.

The audit is in progress, and all requested documentation has been submitted. The report is expected to be submitted on time and by the November 1st deadline.

The meeting and exceeding of the enrollment goal will enable repayment to WAY Program sooner than in previous years and will help reduce the existing deficit and accounts payable balance.
